### **CHURCH GOING:**

A church goer wrote a letter to the editor of a newspaper and complained it made no sense to go to church every Sunday.

He wrote “I’ve gone for 30 years now, and in that time I have heard something like 3,000 sermons, but for the life of me, I can’t remember a single one of them. So, I think I am wasting my time. The preachers are wasting theirs by giving sermons at all.”

This started a real controversy in the ‘Letters to the Editor’ column.

Much to the delight of the editor, it went on for weeks until someone wrote this clincher:

“I’ve been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today.

Likewise, if I had not gone to church for nourishment, I would be spiritually dead today.”

When you are **DOWN** to nothing, God is **UP** to something!  
Faith sees the invisible, believes the incredible, and receives the impossible!  
Thank God for our physical and our spiritual nourishment!
